Objective:

Motivated and detail-oriented junior web developer with hands-on experience in Python and Django framework. Seeking to leverage my skills and knowledge in web development to contribute effectively to a dynamic development team.

Education:

- National Diploma in Electrical Engineering
[Akwa Ibom State Polytechnic], [Ikot Osurua]
Graduation: September 2022

Technical Skills:

- Programming Languages: Python, JavaScript, HTML, CSS
- Frameworks: Django, Flask
- Database Management: PostgreSQL, MySQL
- Version Control: Git, GitHub
- Web Technologies: RESTful APIs, JSON, XML
- Tools: VS Code, PyCharm, GitLab, JIRA

- Operating Systems: Windows, Linux

Professional Experience:

Junior Web Developer

[Future Labs], [Ikot Ekpene] | June 2020 - Present

- Developed and maintained web applications using Python and the Django framework.
- Collaborated with team members to design and implement new features.
- Conducted testing and debugging to ensure the functionality and performance of web applications.
- Utilized version control systems such as Git for code management and collaboration.
- Worked with databases including PostgreSQL to store and retrieve data for applications.

Projects:

E-commerce Website

- Developed a fully functional e-commerce website using the Django framework.
- Implemented user authentication, product listings, shopping cart, and checkout features.
- Integrated payment gateways for secure transactions.
- Managed database operations for storing and retrieving product information.

Blog Application

- Created a blog application using Django, allowing users to create, edit, and delete blog posts.
- Implemented user authentication and authorization for managing blog content.
- Utilized Django templates and CSS for front-end design.

Certifications:

- Python Django Developer Certification
Issuing Body: Future Labs
Date Earned: July 2022

Additional Information:

- Strong problem-solving skills and attention to detail.
- Ability to work collaboratively in a team environment.
- Excellent communication skills and a passion for learning new technologies.
